TOUR OVERVIEW

Today you are greeted at your hotel and driven to the Mount Etna Natural Park to discover this beautiful Volcano rich in sounds, perfumes, and colors. Explore Etna lava fields and craters. Reach a ski resort at 1800/1900 meters and admire the incredible landscape view from Europe's highest and most active volcano.

Then we drive to Taormina, the world well-known hill-village with a glossy sheen of glamour. The attractive principal thoroughfare, Corso Umberto is pedestrian and ideal for strolling and window-shopping. Picturesque lanes above and below the Corso are interesting to explore, while if you want to stretch your legs further there are attractive walks up into the hills, or down to the sea. Given its compact size, Taormina has a huge range of bars, cafes and restaurants where you can spend pleasant hours while admiring the views. As well as the famed Greek-Roman Theatre, there are several minor sites to be discovered around Taormina.

At the end of the tour we drive back to your hotel.
