TOUR OVERVIEW

Godfather Villages Tour: enjoy the scenes of The Godfather movie II and III.

From the coastal road, rich of villas, flowering gardens, and picturesque villages, reach the historical artist village of Savoca. In a private house in the town Bar Vitelli houses a collection of local artisans' tools and photographs taken when Francis Ford Coppola shot scenes of The Godfather II. Stroll along the village's main street past Santa Lucia and San Michele churches for a short view over the valley.

Driving away, we will find Forza d'Agrò, a charming little village over-looking the Arab-Norman castle of Capo Sant'Alessio. In 1990, Al Pacino and Sophia Coppola shot scenes here for The Godfather III. From the main square, a lane meets the circular steps that ascend to the Gothic-Catalan portal in front of the Church of San Agostino.
