Siracusa Guided Tour is a walking tour to explore this wonderful town with a professional licensed guide.

Our Guide will lead you to the discovery of the most important beauties as well as the world renowned Archaeological Park and the hidden treasures of Siracusa and Ortygia Island.

Meet your Guide at your hotel or directly in city center and start your guided walking tour strolling through the streets of Ortygia Island, the heart of the city center connected to the mainland by Umberto bridge. Siracusa that belongs to the Unesco heritage, was founded in 735 B.C. and it was then an important Greek town.

Admire the Dome in Baroque style, the Arethusa Fontain, the Maniace Castle, the Temple of Apollo and the beautiful palaces around

Ortygia.

Then you will be driven (by private transportation) to the Archaeological Park that highlights the Greek Theatre, the Roman Amphitheatre and the Paradise Quarry. Later back to Your hotel or to the city center.
