TOUR OVERVIEW

Transfer with Sightseeing from Taormina to Siracusa

Taormina > Etna Volcano > Syracuse

Approximately Travel Time and Unit: Full Day – 120 Miles (190 Kilometers)

Season: this excursion is doable from March to November.

Dress Code: use sturdy shoes, wind jacket and do not forget sun screen

Private Vehicle and English Speaking Driver Disposal: full day from h 8:30AM

Today meet our staff and departure for the Etna Natural Park to discover a beautiful Volcano rich in sounds, perfumes, and colors. Along the scenic drive we will stop at the the 2002 lava flow reachable through a winding curvy road surrounded by chestnut and oak forests. The 2002 eruption lasted from October 27th to January 29th 2003 and it is considered one of the most explosive eruptions of the past one hundred years. Continuing our excursion we will reach Rifugio Sapienza (1923 meters above sea level), a ski resort, theater of the great eruption of 2002. Here you will have free time to enjoy an excellent espresso and take a short walk to visit the Silvester Craters and the ruins of the hotel Le Betulle destroyed by a molten lava flow.

Ascent to the top is optional, available purchasing cable car tickets (Cable Car Fee: not included) on the spot – weather and volcanic conditions permitting – to experience the lava fields and incredible landscape view from Europe's highest and most active volcano.

Later onto Syracuse.

SUMMIT CRATERS
