Admire the medieval Sforza Castle. A grand medieval Castle and fortress, the Sforzesco was once seat and residence for the ruling family of Milan and now houses several of the city's museums and art collections. Next, tour the splendid Duomo, one of the world's largest, most striking Gothic cathedrals. Some 135 spires and 3,200 statues are crammed onto the roof and facade of the building. Finally, admire Milan's most famous Opera House, the fabulous La Scala theatre. Founded in 1778 and still in use, some of the world's greatest musicians and opera singers have performed here including Pavarotti and Giuseppe Verdi, whose famous operas such as Falstaff often premiered in this very theatre. Built over the course of several centuries, it showcases an intriguing blend of architectural influences. Your tour continues through Como's Piazza San Fedele and past the city's medieval fortification walls, beyond which lies the modern center of Como.
