Then visit Montalcino with a private tour, walking up at the foot of the Fourteenthcentury Fortress, and going on till the historical center. Free time to discover the “secrets” of the village and coming back with one of the most beautiful memories that this land can give you.

Later a short drive will takes us to Pienza, an unique city with stunning architecture, great shopping and iconic attractions. Thanks to its Renaissance heritage, it has been attracting visitors with its obvious charm for well over 500 years.

The aroma of Pecorino, the sheep milk’s cheese made in the area, pervades the streets and alleys of the Renaissance town of Pienza .

A visit to a farm is a must especially if you have children as they will love seeing the animals and experimenting rural life. During the cheese tour, we will discover how the cheese is made, its nutritional value, debunking false myths about fat content, cholesterol, osteoporosis and lactose intolerance.
