## TOUR OVERVIEW

A day tour to visit Alberobello and Polignano with the option of a typical lunch in Masseria, a perfect mix of Apulia symbols: Trulli, local food and seaside view.

Visit Trulli of Alberobello and the seaside village of Polignano a Mare

Lunch in a local Masseria with mostly organic food

Start your tour from Alberobello, the World Heritage Site of fairy-tale Trulli, traditional dry stone huts with conical roof, constructions specific to this area of the region. Plenty of shopping opportunities to be chosen from olive tree cooking tools, local linen and good-luck terracotta whistles!

Then, transfer to a stunning 1600' farmhouse where you'll enjoy a lunch in a local Masseria with mostly organic food from their garden.

In the afternoon we move to Polignano a Mare to admire the impressive panoramas from the seaside terraces overhanging the rock. Indulge yourself with a tasty gelato or granita, pride of the locals. Admire the breathtaking marine caves carved out of magnificent limestone rocks, with an unparalleled view over the blue-green Adriatic Sea.
