TOUR OVERVIEW

Trulli of Alberobello and Caves of Castellana

Visit Itria Valley in Apulia and discover Trulli of Alberobello and Caves of Castellana:

Trulli of Alberobello: traditional dry stone huts with conical roof

Caves of Castellana a natural amazing speleological attraction

Travel through the Itria Valley, immersed in the nature of the Murgia, and reach Alberobello, the World Heritage Site of fairy-tale Trulli. Trulli are traditional dry stone huts with conical roof, constructions specific to this area of the Apulia. Plenty of shopping opportunities to be chosen from olive tree cooking tools, local linen and good-luck terracotta whistles!

Then visit Caves of Castellana, a natural amazing speleological attraction that will astonish you. The Grave is the first huge cave. The White Cave is a shining cave of alabaster adorned with stalactites, stalagmites and coral concretions.

On the way back, stop at Polignano a Mare, and take a stroll around this ancient village formed by a thousand white-glass lanes feature on fantastic balconies overlooking the sea.
