Today leave Rome and while you are transferring to Sorrento do not miss the opportunity on the way to visit one of the best places in the world: Pompeii excavations.

Walking through the ancient streets you can visit the houses, with their wonderful frescoes, once residences of Roman patricians before the tremendous eruption of A.D 79.

Pompeii is one of the most significant proofs of Roman civilization.

Here you can learn outstanding information on the art, customs, trades and everyday life of the past. Alongside the elegant villas belonging to the nobility and the luxurious residences of the middle class, stand modest houses where several families lived. The houses still contain furniture, ornaments, work tools, kitchenware and foodstuffs of all kinds.

At the end of the tour move to your final destination: Sorrento.
