After a beautiful journey through the green hills of Tuscany, we will arrive in Pienza, an unique city with stunning architecture, great

shopping and iconic attractions. Thanks to its Renaissance heritage, it has been attracting visitors with its obvious charm for well over 500 years.

The aroma of Pecorino, the sheep milk's cheese made in the area, pervades the streets and alleys of the Renaissance town of Pienza .

A visit to a farm is a must especially if you have children as they will love seeing the animals and experimenting rural life. During the cheese tour, we will discover how the cheese is made, its nutritional value, debunking false myths about fat content, cholesterol, osteoporosis and lactose intolerance.

We then continue onto Montalcino.

Here you will appreciate "Brunello di Montalcino" with a wine tasting of one of the best aged wines in the whole world.

Then visit Montalcino with a private tour, walking up at the foot of the Fourteenth century Fortress, and going on till the historical center. Free time to discover the "secrets" of the village and coming back with one of the most beautiful memories that this land can give you.

During the afternoon we then continue onto Roma.
