TOUR OVERVIEW

Transfer from Amalfi Coast to Naples with stop to Pompeii

Today you are greeted at Amalfi Coast and drive to Pompeii to visit Pompeii's excavations (Admission fees Not included).

When Mount Vesuvius erupted in 79 C.E., it decimated the settlement and its inhabitants. Ironically, its superheated volcanic ash also preserved the site perfectly, leaving behind perhaps the world’s most remarkable archaeological site.

Now, thousands of years later, you can wander around a time capsule of ancient Roman life. Frozen in time for around two thousand years, Pompeii is truly one of the wonders of antiquity. Discover this unique UNESCO World Heritage Site and walk in the footsteps of Italy’s ancient people.

Covering a 50-hectare area of archaeological marvels, you’ll stroll around the ruins of houses, fountains, statues, frescoes, and one very impressive amphitheater – all under the ominous glare of Mount Vesuvius.

Later we continue to reach your destination to Naples.

The drop-off point can be chosen between Amalfi, Positano, and Ravello (you will be able to indicate the specific location during booking).

Duration: approx. 4,5 hours
